We do not allow or authorize any other person or entity to alter the obligations and limitations in this warranty. This warranty is the complete and exclusive expression of our warranty and is in lieu of all other express and/or statutory warranties. Any implied warranties, including but not limited to the implied warranties, merchantability and fitness for a particular purpose, are limited to this express warranty. However, some jurisdictions do not allow exclusion or limitation on how an implied warranty lasts, so the above limitation or exclusion may not apply to you.

We expressly exclude and will not pay consequential or incidental damages under this warranty. By this, we mean for example, loss, expense, inconvenience, or damages, other than to the panels themselves, that may result from a defect in the panels. However, some jurisdictions do not allow exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

We reserve the right to inspect the panels and remove samples for additional evaluation if we consider this necessary. Any attempt to repair or replace the panels without our consent will void this warranty. The failure of either party to enforce any of the provisions of this warranty agreement shall not be construed as a waiver of such provision or a waiver of the right of any party thereafter to enforce each and every provision.

This warranty gives you specific legal rights, and you may also have other rights which vary from jurisdiction to jurisdiction. We will always respect these other rights.

No implied warranties extend beyond the term of this written warranty.

4. WHAT YOU SHOULD DO IF ANY OF THE ABOVE LISTED PROBLEMS OCCUR

In order to use the warranty, you are obligated to present:

- A valid proof of purchase in the form of the sales receipt for the panels and other accessories

related to the installation, which may affect the installation quality, such as but not limited to adhesive, etc.

- A detailed description of the defect and/or a photograph or sample of the panels that clearly show the defect. Provide additional information requested by the factory to understand the root cause of the issue.

5. WHAT WE WILL DO

If we honor a claim under this warranty, we will - at our sole discretion - repair or refinish the defective material, or we will refund the price of the panels. If a certified professional installer originally installed the panels and if there is a justified claim within the first 36 months from the date of the original purchase, we will also pay the reasonable labor costs to perform the repair or replacement.

This repair or replacement or refund will be a pro-rated percentage cost of the panels and labor cost. This percentage is determined by the number of years remaining on the warranty and the length of the warranty. For example, if the claim is made 3 years after purchase on panels warranted for 10 years, then 70% (7/10) of the panel cost will be considered.

This warranty is limited to the designs, colors, structures, and styles available at the time of repair or replacement. If the original is no longer available, we have the right to substitute another design, color, structure, and style that is similar to the original and that has a similar value. We will always try to take into account the wish of the customer.
